

Barnstaple Allotment Association

**Membership Form 2021 – 2022**

In association with Barnstaple Town Council it is our aim to provide a friendly, communal environment for members and their children, and to promote gardening as a recreational activity.

We meet in the Corner House pub on Boutport Street every two months to discuss issues that affect our members, issues we can take to the Town Council, who we have always found to be willing to help resolve any of our concerns.

**We offer members £15 towards the cost of a water butt and access to any specials deals e.g reduced-price compost.**
