## FINANCE & GENERAL PURPOSES COMMITTEE BARNSTAPLE TOWN COUNCIL BUDGET AND PRECEPT 2023/24

#### **Briefing Note**

#### 1. Introduction

- 1.1. The Council's net budget for 2022-23 was £1,106,387 and a precept of £1,106,387 (Council Tax income) was levied. The precept resulted in a Council Tax figure at Band D of £158.04 per annum.
- 1.2. Budget estimates for committees are based on consideration of the actual expenditure for 2022-23.
- 1.3. In 2021-22 several revenue budgets were reduced where earmarked funds were available, to minimise the impact on the precept, it is proposed to do this again for 2023-24.
- 1.4. Specific projects for the coming year, anticipated changes in income, and known non-annual commitments (e.g. allowance for election expenses and renovations to St John's Community Centre and other community facilities) are included.
- 1.5. Each committee's draft budget is presented below (from section 3 onwards), with a summary containing proposals for the budget and precept.
- 1.6. The comments draw out items that were of significance in drafting the budget, but members will need to consider this alongside the full draft budget in order to form their own view and to ensure that they are conversant with the detail.

#### 2. 2022-2023 Expenditure Against Budget – Anticipated Outturn

- 2.1. Insurance costs almost trebled in 2022 from the anticipated budgeted figure of £18,000 to over £45,000 due to changes in the market, particularly for local councils and heritage buildings.
- 2.2. Energy costs, as with all other businesses and residents have risen significantly beyond the budget.
- 2.3. Income from tenancies and room bookings are recovering from the impact of the covid pandemic, but some tenants appear to be reviewing the affordability of their lease agreements which is likely to impact on income.
- 2.4. Currently the Town Council is forecasting an underspend in the region of £60,000 based on the current forecast outturn. Any surplus funds will be used to support projects in the coming financial year and to reduce the impact of budget pressures on the precept.

#### 3. Finance and General Purposes Committee

- 3.1. The following are highlighted as significant changes for the committee:
- 3.2. Expected income from room rentals is being adjusted down to reflect the impact of potential losses.
- 3.3. 9006-11 Salaries. The predicted salaries budget allows for an anticipated nationally agreed pay award and proposed staffing changes to be made in 2023-24, including:
  - 3.3.1. A Town Centre Ranger to support the cleanliness and safety within the Town Centre
  - 3.3.2. A Projects Officer to enable the development of community properties and applying for grants.
- 3.4. **St John's Hall** still requires further works, this is carried over from the last financial year, including complete interior redecoration, improving toilet facilities and a new kitchen. Over

time it is expected that this will increase the opportunity for use by the community and generate more income.

- 3.6. **Grants:** to increase the overall grants budget for community organisations by £16,200, including:

- 9.8. The tax base figure is provided by North Devon District Council (as Council Tax billing authority).
